Cancer Council NSW is an independent charity and is 96% community funded. Their unique combination of local program delivery, community engagement and national influence enables everyone who cares about cancer to make the biggest possible

The information night will be held upstairs at Phil's Bar at the Royal Oak. Many will know that the bar is named in memory of Phil Malouf who died from Cancer of the Brain aged just 22.

The Malouf family are active fund raisers for the Cure Brain Cancer Foundation and people attending the Information Night will be invited to make a Gold Coin donation to support the foundation.
